The mere word, “networking”, strikes fear in the hearts of many women. Rubber chicken lunches, “business-card bingo”, and meaningless conversation, may be what comes to mind. However, we do nothing alone; to create a valuable network is a key to success. This workshop will invite you to think about it differently, approach it differently, act differently and create a different networking experience!

You will leave with:

- 3 techniques to reduce anxiety at networking events
- 2 tools to manage your networking contacts
- 3 formulas for creating your 30 second commercial
- A list of super connectors to leverage your network
- One action people in your network will love
- A mind-boggling number of your network needs fulfilled
- The hidden secret to successful networking revealed that you ALREADY possess

Don't miss this opportunity to connect with women who are walking in the same shoes!
